

Do you have a learning disability?

Don't miss out: get better healthcare now.

Tell your doctor you have a learning disability and they can check if you are on their **learning disability register**.

When you are on the register, you will be offered **the support you need** to make things easier, like:

- extra time and support during your appointment
- easy read/accessible information
- help to make an appointment

You can also be offered a full health check every year.

To find out more speak to your doctor, or visit:
